Doug Dvorak & Dr Earnest Carpedium **Clowning Around—Mega Motivation with a Twist**

Need a good Laugh? Join us for a fun afternoon while at the same time learning how humor can improve you and your staff's productivity, and at the same time let them enjoy what they are doing? Humor. The power of laughter can quell the most volatile situation and bring real motivation and pleasure to the most tedious activities. Humor can bring true employee and customer satisfaction. Through the unique, original character created by Doug Dvorak, **Dr. Earnest Carpedium, TM**, Doug delivers a highly energetic and creative interactive presentation: **"Mega Motivation With A Twist."**

4pm–5pm \$15 per person

Save \$5.00- Attend one of the seminars listed below and get two seminars for just \$20 person!

Mary Spain

Walk a tightrope with ease -Fair Housing above and BEYOND **What you need to know about Fair Housing!**

Mary Spain started her career in Residential Property Management in 1977 in Des Moines Iowa as a leasing consultant.. Fourteen years ago she started the Apartment Finder in Des Moines. A founding member of the Central Iowa Apartment Alliance, under her guidance in the last few years, the CIAA has graduated 14 Certified Apartment Property Supervisors (CAPS), 65 Certified Apartment Managers, (CAM), and 5 National Apartment Leasing Professionals (NALP). Yearly she presents the National Apartment Associations Fair Housing module to those needing training and continuing education, as well as Leasing 101 for those just entering the industry. Her passion is Education and ensuring that Residential Property Management is recognized with the prestige it deserves.

3pm–4pm \$10 per person

Phil Nixon

Taming the lion - The Threat of Pests ***From Bed Bugs to Emerald Ash Borer***

Question and answer discussion with Phil Nixon who has degrees in Biology and Zoology with minors in Botany from Lincoln Land Community College and Southern Illinois University, concentrating in Entomology and Invertebrate Zoology. He has a Ph.D. in Entomology from Kansas State University with a secondary concentration in Horticulture. He has been a University of Illinois Extension Entomologist since 1980 with responsibilities in pesticide applicator training and the Integrated Pest Management of insect pests of landscapes and households.
